"For unto every one that hath shall be given, and he shall have abundance..."

Parable text from Matthew 25:14-30

Primary Focus

Home & School focuses on student enrichment and support primarily during the school day; promotes closer communication between staff and families; coordinates fundraising and philanthropic initiatives.

History

Originally affiliated with the Parent Teacher Association, The Nazareth Academy Home & School Association was formed by parents who wished to keep resources within our community, rather than send dues to a national organization.

An executive board was established to oversee the establishment and offer support.

Purpose

The Nazareth Academy Home & School Association was established to promote close cooperation, understanding and communication between the school and the home and to provide an avenue by which the volunteer efforts of students and parents/guardians might enhance the physical, intellectual, and spiritual education as well as instructional programs of the children.

Home & School Needs Your Support

Home & School has provided thousands in direct dollar donations and in-kind support since the beginning, supporting programs, services, and special purchases that could not otherwise be possible.

Home & School works collaboratively with the school family community, focusing on different activities and objectives that complement each other in order to provide a wide variety of programs and services for our school community. Together, we work with the school principal and staff to support the school's plan and the mission of Nazareth Academy.

We hope you will consider joining us in support of the students and our school. For more information about ways you can participate in the Nazareth Academy Home & School Association, contact the school office at 361-573-6651 or email the H.S.A. directly at hsa@nazarethacademy.org

Fundraising

The HSA holds two fundraisers a year; the Fall Festival with Turkey & Dressing Dinner and another one of choice in the Spring. The Fall Festival, the largest and most important fundraiser for the school takes many weeks of preparation, numerous volunteers, and lots of hard work by many to make it a success. Many aspects of running the school are taken into consideration when using funds from the Fall Festival.
