

Teracycle, Capri-Sun, Honest Kids, and Kool-Aid Drink Pouch Brigade

Every year BILLIONS of drink pouches end up in dumpsters and landfills across America. TerraCycle, Capri Sun and Honest Kids are working together to put an end to this awful loss of resources. As an eco-friendly innovator, TerraCycle is going to convert the used drink pouches into unique fashion bags, tote bags, and pencil cases for kids and adults! TerraCycle is proud to team up with the largest producer of drink pouches in the country, Capri Sun, and a young organic entry into the market, Honest Kids, to help address this problem from all angles!

Together with your help we CAN make a difference!
